Profile

Student and outspoken climate activist seeking to stop global warming and climate change. Vegan who gave up flying to lower her carbon footprint.

Achievements:

- Organized a school strike for climate outside the Swedish Parliament which has since spread all over the world and now involves over 100,000 schoolchildren
- Spoke before the UN plenary assembly, at the EU Conference, World Economic Forum or Austrian World Summit
- Named one of the world's 25 most influential teenagers of 2018 by the *Time* magazine
- Nominated for the 2019 Nobel Peace Prize

Why climate change?

Greta has been diagnosed with autism, A.D.H.D., and other conditions. It's very common that people on the autism spectrum have a special interest in some topic. Greta's is in the climate change and environment. She has been researching the topic since she was nine years old.
